*Wholesale List*

*1950*

WILLIAM CROSBY HORSFORD

CHARLOTTE, VT.

# *Terms*

**This list cancels all former quotations.**

**Prices subject to change without notice.**

**Orders are filled** in the order in which they are received unless a later shipping date is specified. We reserve the right to cancel orders if necessitated by weather conditions or any other reason that is beyond our control.

**We do not warrant** any trees, shrubs or plants sold except as to genuineness, except as noted.

**All claims** for errors must be reported immediately upon receipt of the stock. Any claims for failure of stock must be reported within 30 days. We are not responsible for winter losses or losses due to drought.

**The purchaser assumes all risk** of transportation. Stock will be shipped express collect unless otherwise arranged.

**Cash or references** should accompany orders from customers unknown to us. Two percent discount for cash within ten days. C.O.D. orders must be accompanied by 25 percent of the purchase price.

**Packing is free** with cash orders, otherwise charged at cost.

**Fifty units** of the same size and variety are sold at the hundred rate, 500 at the thousand rate.

**We are NOT** in the Japanese Beetle zone.

# HARDY NATIVE EVERGREENS

## *For Nursery and Reforestation*

The trees listed below are carefully collected from the northern Green Mountains of Vermont. All are selected, well-rooted trees, protected from wind and sun as gathered and immediately puddled in clay. Shipments are made at once with stock carefully packed in sphagnum moss.

With proper care a reasonable percentage is guaranteed to live.

The usual spring shipping season begins April 10th\* and extends through to June 10th. Fall shipping is from about August 20th to November 10th. We ship earlier or later if weather permits.

Orders are filled in the order received unless otherwise arranged.

We gladly book orders in advance for this coming fall or next spring.

\* Balsam Fir—May 10th.

### CANADIAN HEMLOCK—TSUGA CANADENSIS

|                          | Per 100 | Per 1000 |
|--------------------------|---------|----------|
| 2-4 in. seedlings .....  | \$ 0.80 | \$ 5.00  |
| 3-6 in. seedlings .....  | 1.50    | 10.00    |
| 6-9 in. seedlings .....  | 2.50    | 15.00    |
| 9-12 in. seedlings ..... | 6.00    | 40.00    |
| 12-18 in. ....           | 8.00    | 65.00    |
| 18-24 in. ....           | 20.00   | .....    |

#### Grafting Stock

|                                       |       |       |

## BALSAM FIR—ABIES BALSAMEA

(*Christmas Tree*)

|                | Per 100 | Per 1000 |
|----------------|---------|----------|
| 2-4 in. ....   | \$ 0.80 | \$ 5.00  |
| 3-6 in. ....   | 1.50    | 10.00    |
| 6-9 in. ....   | 2.50    | 15.00    |
| 9-12 in. ....  | 6.00    | 40.00    |
| 12-18 in. .... | 8.00    | 65.00    |

## CANADA YEW—TAXUS CANADENSIS

|                               | Per 100 |
|-------------------------------|---------|
| Seedlings .....               | \$15.00 |
| Rooted layers, 12-30 in. .... | 8.00    |

## RED SPRUCE—PICEA RUBRA

(*Christmas Tree*)

|              | Per 100 | Per 1000 |
|--------------|---------|----------|
| 3-6 in. .... | \$ 2.00 | \$10.00  |
| 6-9 in. .... | 4.00    | 20.00    |

## WHITE PINE—PINUS STROBUS

|              |         |         |
|--------------|---------|---------|
| 2-4 in. .... | \$ 3.00 | \$10.00 |
| 3-9 in. .... | 6.00    | 20.00   |

Evergreen seedlings up to 9 inches should be bedded for one year with shade through the summer months. Larger sizes are suitable for lining out in the open field.

## TREES FOR REFORESTATION

For reforestation we suggest Hemlock, Spruce, Balsam, White Pine, Sugar Maple, Yellow Birch and White Cedar.

## TREES AND SHRUBS

|              |         |
|--------------|---------|
| 1-2 ft. .... | \$10.00 |
| 2-4 ft. .... | 25.00   |

## VINES

Per 100

|                                                               |         |
|---------------------------------------------------------------|---------|
| <b>Ampelopsis quinquefolia.</b> Virginia Creeper .....        | \$ 8.00 |
| <b>Arctostaphylos uva-ursi.</b> Bearberry, rooted layers..... | 10.00   |
| <b>Celastrus scandens.</b> American Bittersweet, 1-2 ft.....  | 8.00    |
| <b>Clematis virginiana.</b> Virgin's Bower .....              | 8.00    |

## FERNS

**Of special interest to the Fall fern purchaser:** These ferns are shipped in boxes or barrels, packed in sphagnum moss. If stored in a cool cellar they will keep in a fresh condition through the winter, thus they may be handled with practically no overhead.

| <i>Variety</i>                                | <i>Common Name</i> | Each   | Per<br>10 | Per<br>100 |

| flowering size ..... | .25 |
|----------------------|-----|

We have many other varieties of rare and new hybrid lilies which we are unable to list at this time. Write for supplementary list in August.

## A NEW LILY BOOK

"Garden Lilies." by Alan and Esther Macneil. Published by the Oxford Press, New York, N. Y. Price \$3.50.

---

## NORTH AMERICAN LILY SOCIETY

Membership in the Lily Society is open to any person, who is interested in promoting the culture of lilies. Provision is made for the organization of regional groups within the Society and for the affiliation of garden clubs and other societies interested in lily culture.

Dues in the Society are \$3.00 for annual membership, \$5.00 or more for sustaining membership and \$50.00 for life membership. Inquiries regarding the Society should be sent to the Secretary, Dr. R. N. Stewart, Carters Lane, Riverdale, Md.

The American Lily Yearbook will be sent to all members of the Society. Price for non-members is \$3.00.
